

## **Minutes for the Worship team meeting**

June 22, 2020 7:00PM

In attendance; **Bette N, Susan T, Susan D, PC, John S, Dorris O and Lou D**

Thank you, **Pastor Chris**, for using your ZOOM account for this meeting.

**Chris** opened the meeting in prayer

**John** gave his report on the supply Pastors for the summer up until September (see calendar attached). All Pastors are willing to conduct indoor services.

**Susan T** said she was not able to connect with PPP, MS. MARIE and having left a message, we agreed that she would know from the message, that we are available if needed.

**Dorris'** discussion on the corona virus sticking to the cloth seats lead to her recommendation that some protective material which can be washed/wiped down, would be most appropriate at this time. She will obtain swatches of different gauges and present them at the next meeting.

**Lou's** investigation of the materials in question led to a lightweight cling material that is disposable and inexpensive. He will also be checking in on UV light, room sanitizers, for cost and effectiveness.

At our next meeting we will set a soft opening date for the sanctuary. The congregation will be notified 2 weeks in advance and should be prepared for short notice of cancellation in the event the Covid data shows an unacceptable level.

Due to limited seating we will be requesting members register their intent to attend the weekly service. An on-line sign-up page will be made available for that purpose.

We will try to use the fellowship hall for overflow by streaming the service in. We do not have the equipment to provide that service.

The team began discussions for enhancing the appearance of the front of the church. New grass was the topic as well as moving an outdoor water faucet to the front of the church to maintain the health of the grass and plantings. We will be checking in with a plumber to see if it's feasible on our budget.

**Jim O'** will investigate grasses that are best suited for, and can tolerate, the heat generated at the church entrance.

The next Worship Team meeting will be held in the sanctuary, Monday, June 29 at 6:00PM to assess needs and practicality of re-opening.

Respectfully submitted,

**Susan A. D'Angelo**, Minister of Worship
