

WORSHIP TEAM

Minutes 8/10/2020, 7:00 PM, ZOOM

In attendance: Lou D'angelo, John Statom, Susan D'angelo, Susan Tilden, Bette Neumeyer, Jen Peterson, Pastor Donna Spencer Collins, Linda Paulet

OPENING PRAYER by John Statom

The team accessed the outcome of the first COVID inside church service and agreed upon the following recommendations for change. New recommendations will show as bold:

- Guest will enter on through the corresponding door of the side of the church they wish to sit on,
- Once inside the church you may not change sides.
- FOLLOW THE USHER TO THE DESIGNATED SEAT. DO NOT CHANGE SEATS OR MOVE ACROSS THE PEW.
- **Stay in your seat, we can not allow moving about the sanctuary.**
- The center aisle is closed
- **No singing. Whispering only, when responding to prayers.**
- Practice social distancing
- Sanitize your hands when entering and exiting the church
- **Exit with ushers from the back rows.**

Jen will post the changes in the bulletin and John will also include them in his regular announcements.

Bette will oversee enforcement the seating rules and will also tend to the cleaning of the pews.

Laurel Puchalski sent out an email on behalf of the Boy Scouts requesting a determination as to weather they could resume their meetings with a plan for opening that includes COVID acceptable protocols. The team agreed that we would help. We will be seeking more information and will keep things posted as to their progress.

The final discussion centered around air quality in the sanctuary with strong recommendations for dehumidifiers and air conditioning. We will be investigating, getting quotes and writing a proposal soon.
