

Members present: Susan D'angelo, Bette Neumyer, Dorris O'Leary, Susan Tilden, John Statom, Lou D'angelo. Also Jen Petersen and Linda Paulet.

Hello,

Here are the minutes of Monday's meeting.

We need a volunteer to be in charge of our Home Improvement Basket for the fair. If you are willing, please let me know soon, as the baskets are due October 1.

I have a medium/small tool box to donate.

A reminder to John, It is my turn to be worship leader this week and we discussed you taking the lead in my place. I hope this is still agreeable.

Minutes

Most of the meeting was concentrated on Corona protocols.

It was decided that moving forward and in light of the coming cold weather;

- The outside doors would remain open, while the inside doors would be closed to block the wind.
- The handicap door will remain open.
- The windows will be narrowed less than their current opening.
- Gus will continue to provide ventilation by his method.

The above is contingent on weather conditions and outside temperature.

We will rotate a team member to remain in the back and assist the ushers in their responsibilities. We will need 4 team members each week:

- One team member inside
- One team member outside
- One team member to handle overflow if necessary

(We did not get a chance to set up a schedule for this and it will be necessary to do so before the following Sunday. Please consider which weeks you will be available, and let the team know. I believe we will need to continue this schedule at least through the end of October, while volunteers get accustomed to the new protocols, at which time we can re-evaluate our involvement.)

Susan T. will take charge of bell ringing.

Lou brought us updated us on the work of the Building and Grounds.

John spoke on the Search Team progress.

Our last WEEKLY Covid meeting will be 9/28, as there are few changes in protocols and standards as of late.

Barring any changes in policy and protocols, the next Regular Worship Team Meeting will be Monday, October 26, ZOOM, 7:00.
